

Do you want to save 5% on your Workers' Compensation cost?

The MSEA and Sisk & Company are sponsoring a workshop that will provide you with an overview the Colorado Cost Containment program. At this seminar we will also help you design your safety program and complete the necessary forms and basic programs required for Cost Containment Certification. This seminar is open to all Sisk and Company clients or MSEA members. If you want to learn more about the Cost Containment program or have started working on it and need some help, you need to attend this workshop.

By attending this seminar/workshop, you will complete the following:

- Overview of the 6 steps required for Cost Containment
- Customized cost containment materials
- Personalized advice in developing the program
- An implementation plan with schedule
- Samples of safety rules
- Electronic copies of your work
- Completed application
